Danny Ward's observational humour is up-beat and well honed and his manic style both endearing and very funny. With a high energy set and brilliantly well observed material covering everything from the randomness of the Lidl, to how to get the 'London Look' the gags keep coming.

"Slick, quick and packed with funny material"

Stan Stanley is a warm and genial comic with brilliant timing, who delivers smart, satirical observations that have more of an edge than their light-hearted handling and delivery suggest. TV appearances include **Russell Howards Good News - BBC2** and **Comedy Cuts -BBC3**.
